"Walking Willow" at ChicoryLane in Summer

Website

ChicoryLane is an ecological reserve near Spring Mills, protected by a Conservation Easement held by Clearwater Conservancy. It is 68 acres of very diverse lands that we are actively enhancing ecologically.

The landscape is natural, but scenic. It includes wetlands and meadows, several streams, remnant and successional forests, and a grassland. This diversity of habitats is especially inviting to birds and butterflies. A system of mowed trails makes most of it accessible to walkers.

We hold outdoor events throughout the year. If you do NOT wish to receive future announcements, please select *unsubscribe*, shown below.

ChicoryLane | 246 Brush Mountain Rd., PO Box 132, Spring Mills, PA 16875
