

Hi John and Catherine,

Thank you for the call yesterday and the reminder to send a CV in preparation for the upcoming Board Meeting on 4 October.

Please forward the attached as well as the message below.

Dear Chicory Lane Board Members,

Knowing, and having recently met several of you, it is an honour to be considered for inclusion on your Board. Please find attached a Resume dated 2019, which includes far more detail than you need, so feel free to skim through the boring bits. This is the CV I used to secure my last contract assignment as a Pacific Organic Farming Project Team Coordinator in Fiji, a position that lasted almost six years, and which has brought me to retirement and back to the Valley. I look forward to filling you in on that adventure as well as my current activities, and interest in the Chicory Lane Farm.

peace

jim
